

# Personal Best Day 2015 Results

This is the **second** issue of results for the 2015 Personal Best Day. While every effort is made to ensure the accuracy of these results, errors may occur where registration numbers or performances have been incorrectly transcribed on recording sheets or data entry.

If you find any errors please email details to [pbday@salaa.org.au](mailto:pbday@salaa.org.au) and we will endeavor to rectify them. Please allow 1-2 days to receive a response, as the people who process them are volunteers.

Thank-you to all the volunteers who made the day possible.

## **Invalid Results**

Some performances are listed as "invalid results" - these are due to athletes doing an event that is not an event for their age group, or who participated in too many events on the day. Event limits are 5 events for Under 6 to Under 10, and 6 events for Under 11 to Under 17. Within these limits athletes can do at most 3 track and/or 3 field events.

## **200m Results**

Unfortunately due to issues with the timing gates, some athletes have not received a time for the 200m event. These results are indicated with 'Comp' (for Competed) in these results. We apologise for any inconvenience.
