## PARENT ASSISTANCE

All duties are carried out voluntarily by the parents of the children competing. All parents of registered Little Athletes are required to assist in the running of the Centre activities.

Each Sunday we require at least 40 people to actually conduct the events so that our children can enjoy themselves, so don't wait to be asked. Offer your services — the success of the Centre depends on you.

No previous experience is needed. The children like to see their parents participating and parents get a better appreciation of the children's accomplishments.

For the competition to start on time each Sunday, parents are required to follow the instructions below:

1. Be available for duty on day rostered for setting up the equipment at 8.00am, or provide a suitable replacement for yourself.
2. Report to the Officials Organiser for job allocation.
3. If you have any doubts, or want further information, please ask questions of the Centre Executive who will then endeavour to answer your queries.

## PETER FULLAGER WALKS

The first Peter Fullager Shield race walking competition was conducted by the Elizabeth Little Athletics Centre at Elizabeth in 1974. The Shield derives its name from one of Australia's and South Australia's most successful walkers — Commonwealth Games representative, former Australian and State Champion, Peter Fullager. It was his wish to see the introduction of race walking skills to little athletes by the way of a Teams competition.

Over the years the coveted Shield has been keenly contested by Centres including Tea Tree Gully. In the past we have been successful in winning the Shield on seven occasions and on more than one occasion being runners-up. As well as this many of our athletes have won individual medals given to the placegetters in each group.

Emphasis by the Tea Tree Gully centre has always been on the Team effort, with athletes, regardless of their ability or event performance, supporting the Centre by making themselves available for the Team.

Any number of athletes may compete in each age group, with the first three athletes from each Centre over the finishing line, scoring Team points.

It would be excellent if this year, Tea Tree Gully athletes and parents could renew their interest and enthusiasm for this competition, in which Tea Tree Gully has been so successful in the past.

Race walking is just an extension of street walking and parents could readily assist their youngsters and their own fitness by being involved.

### WALKING

IAAF rules define walking as a progression of steps, so taken that unbroken contact with the ground is maintained. At each step, the advancing foot of the walker must make contact with the ground before the rear foot leaves the ground. During the period of each step in which a foot is on the ground, the leg must be straightened (i.e. not bent at the knee) at least for one moment, and in particular, the supporting leg must be straight in the vertically upright position.

Triple Jump		7.70	8.10	8.70	9.00	8.80	9.20
200m Hurdles							T.B.A.

Because of these rules, cautions and disqualifications can occur. It must be emphasised that disqualifications in race walking are **TECHNICAL** and not **MORAL** censures. The walker is not being punished for cheating. Disqualifications at centre levels enable walkers to work on their faults and hopefully avoid disqualification in championships.

**Walking Standards are:**

Under 9 700 metres  
 Under 10 and 11 1100 metres  
 Under 12 to U15 1500 metres

**LONG JUMP AND TRIPLE JUMP**

Under 6s to Under 9s use a 'metresquare'. Under 10s to Under 12s use the '1/2-metre' board. Under 13s to Under 15s use a standard 'take-off' board of 200mm width. The 'metresquare' is placed with the front edge 50cm from the pit. Only Under 10s to Under 15s do the triple jump.

All jumps are measured from the nearest break in the landing area made by any part of the body or limbs to the 'take off' board or in the case of the 'metre square' to the point of imprint of the athletes' take off point nearest the landing point. When an athlete's take off point is before the 'metresquare' (no toe print), the jump is measured from the back of the mat.

**THROWING EVENTS**

The shot is put and the discus is thrown from a circle. A foul shot is called if the athlete steps out of the circle or leaves the circle from the front of the circle, and also when the shot or discus lands outside of the throwing segment.

In the case of the shot, the ball must be 'putted', and not thrown.

- (c) In the event of a tie for 8th place, the "toss of a coin" will be used to decide a finalist.
12. (a) An Athlete may leave a field event, after notifying the official in charge, to take part in a track event and rejoin the field event.
- (b) Athletes are not permitted to join a field event after it has started, unless they have notified the official in charge of that event that they will be delayed by a clash in their events.
13. An intention to protest must be advised to the Arena Manager by a responsible adult on behalf of the Athlete within 10 minutes of completion of event and accompanied by a Fee of \$30.00 which will be forfeited if the protest is frivolous. Confirmation in writing, must be received within 20 minutes of completion of event. If satisfactory resolution is not reached either party may approach the Disputes Committee, who shall be the Competition and Technical Committee.
14. Coaching inside the Arena, will lead to disqualification of the athlete.
15. Any queries, please see Arena Manager.

1. The acceleration zone will not be used. In all Relay Races, the Baton must be passed within the take-over zone. The passing of the baton is complete at the moment it is in the hand of the receiving runner only. Within the take-over zone, it is only the position of the baton which is decisive and not the position of the body or limbs of the competitor. When a relay race is being run in lanes, a competitor may make a check mark on the track within his/her own lane with a flat metal disc no larger than a 50 cent coin.
2. The baton must be carried in the hand throughout the race. If dropped, it must be recovered by the athlete who dropped it.
3. The positions of Teams at the start of the race shall be drawn and shall be retained at each take-over zone, except that waiting runners can move to the inside position on the track as in-coming team mates arrive, providing that this can be done without fouling.
4. In events where the first part of the race is in lanes, competitors after completing this part may move into the inside lane.

5.5 Little Athletes who have not satisfied the above criteria due to illness, injury or some other satisfactory reason may appeal in writing to the Competition and Technical Committee to be included in the Championships.

5.6 Qualifying Standards must be met on at least 2 occasions during Centre/Club competition (or in accordance with rule 5.4).

**THE SOUTH AUSTRALIAN  
LITTLE ATHLETICS ASSOCIATION INC.  
FIELD RELAY CHAMPIONSHIPS  
OLYMPIC SPORTSFIELD — SUNDAY, 4th DECEMBER, 1994  
RULES OF COMPETITION**

1. The priority of a Centre is to nominate a Track Relay Team BEFORE a Field Relay Team.
2. Rules 2, 4, 5, 7, 8, 9, 12, 13, 14 for the Relay Championships also apply for the Field Relay Championships.
3. There will be 4 Events for the U9 to U15 age groups, namely Long Jump, High Jump, Shot Put, Discus, which together form the Field Relay.
4. A Centre may enter one team per age group.
5. Each team must compete in all 4 Events.
6. Each athlete in the team may compete in no more than 2 Events. Teams may be composed of:
  - (a) 4 athletes — with 1 Event each,
  - (b) 3 athletes — with 1 athlete competing in 2 Events and the other 2 athletes competing in 1 Event each,
  - (c) 2 athletes — with each athlete competing in 2 Events each.
7. Athletes competing in the Field relay may not compete in a Track Relay Event and vice versa.
8. Athletes will be allowed three attempts at each Event, other than High Jump. (No Practice Attempts will be allowed.) There will be no finals for any Event.
9. The High Jump Bar will go up in 5cm increments ONLY, and shall start low enough to allow a recorded jump for EVERY athlete.
10. Points are awarded based on placings for each Event as follows:-
  - 25 points for 1st place.
  - 24 points for 2nd place.
  - 23 points for 3rd place.
  - 22 points for 4th place, etc.
  - to 1 point for 25th and lower places and 0 points for failure to record a performance (e.g. 3 fouls)
11. Count backs will be used to decide placings for each Event.
12. In the event of a tie for a placing in an Event, tied athletes share the points, e.g.:
  - (a) If 2 athletes tie for 2nd place, their teams receive 33.5 points each, and the next athlete (4th place) receives 22 points.
  - (b) If 3 athletes tie for 11th place, their teams receive 21 points each, and the next athlete (7th place) receives 19 points.
13. Points are totalled for the 4 Events for each team to determine team performance. The team with the highest points total for the age group wins that Field Relay Event.

## TEN COMMANDMENTS - FOR PARENTS

1. Little Athletics is a Family Sport, to be enjoyed by each family member in his/her own way. Don't spoil it by getting too intense.
2. There is no one winner at each event. If your child does not come across the line first, and it matters to you, go home — Little Athletics is not for you.
3. Be on your guard against projecting your own aspirations on to your child. If you want to win a race, go and run it yourself! Or join a Senior Club!
4. Never hurl abuse from the sidelines — people do not respect you for it. By all means cheer your child on, but do so with good temper and friendly enthusiasm.
5. There is no circumstance which warrants humiliating a child. If he/she were able to win or were in the mood to try, as the case may be, then it would have happened. Punishment brings resentment under these circumstances. Resentment means deteriorating relationships. Deteriorating relationships are bad for the whole family. A child will go to the ends of the earth for parents who play fair, no matter how strict the discipline in the home.
6. Be on the watch for signs of stress. Reluctance to compete, worsening times, heights and distances. Anger, resentment, change of personality, anything. Be ready and willing to listen. If you do, your child will tell you the trouble — unless he/she thinks it is something you do not want to hear. (See 3 above.)
7. Approach the Coach, Chaperone, or one of the Committee if you see problems occurring, or even to make yourself or your feelings known. Virtually all of them have children of their own, and many are in the business of caring for children in one way or another.
8. Little Athletics is not the only thing in your child's life. This is the age of exploration. If things go badly, it is time for a rethink, and maybe a change of activity for a while. Sometimes it is an event which is causing trouble. Try to find out, then concentrate on the ones the youngster enjoys.
9. The higher you climb, the further you fall.
10. If you see something of which you disapprove, bring it to the notice of the Committee. Do not grumble in the background, and do not try to set the world right single-handed. You will find you can get a lot of help, at worst your comments will be noted and appreciated.
