TROPHY SYSTEM

All children will receive a certificate for participation at the end of the season, showing the child's best performance for each event contested.

Tiny Tots will receive a Medal, Certificate of Participation and an achievement award voucher.

Due to the Sports Policy only athletes who attend 50% or more of programmed meets from their registration date will be eligible to receive Medals and Trophies.

U6 to U8: Receive a Gold, Silver or Bronze Medal depending on the number of points scored during the season. See Point Scoring System for more information. For U6 to U8 Age Groups, two Improvers Trophies will be awarded to each age group.

Points in this age group are awarded for attendance, equalling personal best times, improving personal bests and Centre Best times.

U9 to U17: Athletes in these age groups may, according to points scored during the season, receive either a Gold, Silver or bronze medal. They will also be eligible for the Most Improved and Best All Round Athlete trophies. To be eligible for medals and trophies, athletes in these age groups must compete in 50% of the programmed meetings and in 50% of the events programmed for that day. Points in this age group are awarded for attendance, Personal Best (including equalling), event place points and centre best times.

Athletes must reach the minimum points level to receive a medal.

BEST CLUB PERSON: PERPETUAL TROPHY

Is awarded to, any Athletes from under U9 up to U17 in Cross Country Season and following on into the Summer Little Athletics Season.

Selection Criteria

- Attendance at Little Athletics meetings, including home and away meets, Association meetings (eg Relays, etc).
- General attitude and behaviour of the athletes as a Club representative/ambassador.

Trophies are also awarded for participating at the Cross Country Championships, to State Representatives, a Coaches Award (Male & Female) and a Presidents Award

ASSOCIATION AND SPECIFIC EVENTS

“Skins” are not allowed to be worn at any Association events.

Regional Games – Golden Grove, Hancock Road, Yatala Vale on Sunday 7 November 2010.

This is an Athletic meeting for the Association’s Northern Metropolitan Centres and provides an opportunity for athletes to participate against athletes from the following Centres: Salisbury, Salisbury East, Elizabeth, Golden Grove, and Munno Para. All Centres assist with officiating for the day. Regional Day Certificates and badges are provided to the athletes. Regional Day is for Under 6 to Under 17.

IGA State Relay Championships – Saturday 4th December 2010

All Centres are eligible to participate at these Championships, which consist of both track relay and field relay events for athletes in the U9 – U17 age groups. Association policy requires Centres to field TRACK relay teams before FIELD relay teams. Four athletes are required to participate in TRACK RELAY events, which vary for each age group. Events comprise 4 x 100m, 4 x 200m, and 4 x 400m. Each Centre may only enter one team per event and athletes must wear correct Centre uniform, otherwise disqualification may result. Heats and finals are run for these events.

FIELD RELAY comprises four events; Long Jump, High Jump, Shot Put and Discus. There are no finals in Field Relays. A combination of athletes may be entered;

- a) 3 athletes – one athlete in 2 events and the other two athletes do one event each;
- b) 2 athletes – EACH PARTICIPATE IN 2 EVENTS.

Team Selection Policy; Athletes best performances will be monitored by a sub-committee during the period up to and including 15th November 2009 and be selected to participate in the track relay. Further details will be provided. Athletes must be registered by 20th November 2009.

RULES OF COMPETITION AND PROGRAM will be made available to parents and athletes who are selected for the Track and Field relays.

Commemoration Day – Bay Sheffield (27th December 2010)

Further details will be provided closer to the event.

‘be active’ Personal Best Day (Sunday 20th March 2011)

Another opportunity for registered athletes of all age groups U6 – U17 to participate at the SANTOS Stadium against athletes from other Centres. Correct Centre uniform must be worn; otherwise the athlete will not be allowed to participate. Athletes from the U6 - U10 age groups can only compete in a maximum of 5 events and athletes from the U11 - U17 age groups can only compete in a maximum of 6 events. Athletes must be registered by 8th January 2010. A Tiny Tots event is also run at this meet.

COMPETITION RULES OF CONDUCT and PROGRAM are available on our website.

COACHES

Courses run by the Association and co-ordinated by our Centre allow interested persons the opportunity to become qualified in coaching.

It is essential for the development of our Athletes that our Centre has adequate coaching personnel for the current season and the future. Any interested person should contact a member of the Management Committee.

Coaching times and details are listed in this book.

PARENT’S CODE OF BEHAVIOUR

- Encourage children to participate in each event. However, if a child is not willing, do not force them.
- Focus on the child’s efforts and performance rather than the overall outcome of the event. This assists the child in setting realistic goals related to his/her ability by reducing the emphasis on winning. This is the principle of the associations’ philosophy of personal best.
- Teach children that an honest effort is as important as victory, so that the result of each competition is accepted without undue disappointment.
- Encourage children to always participate according to the rules.
- Never ridicule or yell at children for making a mistake or losing an event
- Remember children are involved in organised sports for their enjoyment, not yours.
- Remember that children learn best by example. Applaud good performances by all athletes.
- If you disagree with an official, raise the issue with the official during a break or after the competition. Do not question the official’s judgement and honesty in public. Remember, all officials give their time and effort freely for your child’s involvement.
- Support all efforts to remove verbal and physical abuse from sporting activities.
- Recognise the value and importance of volunteer coaches and officials. They give their time and resources freely to provide recreational activities for the children and deserve your support.

WHAT CAN I DO AS A PARENT?

Every parent/support person fits into the grand scheme. Without your help, this recreation would cease to exist for our children.

Parents, like our athletes, come in many shapes and sizes with all sorts of experience and talents that they usually don't even know they have!

Parent participation is vital to keep our Centre functioning. A roster is established for parents to assist with setting up, canteen. Please feel free to make yourself available for timekeeping, chaperoning and officiating.

OFFICIALS

Our Centre needs parents to act as officials during competition. Without officials there can be no competition. Parents need not be formally qualified; however, the opportunity to gain qualification exists through courses run by the Association.

Parents who become involved will participate in an essential and most rewarding role. Any result where an Athlete achieves a Centre Best must be witnessed and signed off by an Official. To cater for this it is recommended that each age group have at least one 'C' Grade Official. **Talk to a Committee member about becoming a 'C' Grade Official.**

CHAPERONES

Chaperones have the task of ensuring Athletes enjoy their activities in an organised and supportive atmosphere. Acting as a chaperone involves recording of performances and marshalling Athletes to events.

TIMEKEEPERS

Timekeepers have the task of measuring the elapsed time between the start and the finish of the race and determining the placings. Timing commences from the sight of smoke from the starting gun and concludes when any part of the Athletes torso (not head, arms or legs) crosses the finish line.

When timekeeping, times are rounded up to the next tenth of a second.

(e.g watch shows 10.18 seconds – recorded as 10.2 seconds or

watch shows 10.10 seconds – recorded as 10.1 seconds or

watch shows 10.11 seconds – recorded as 10.2 seconds)

Our Chief Timekeeper will provide advice and guidance to those parents who need assistance. Timekeeping means working in a team of 6 to 8 people and provides a great opportunity to meet and get to know other parents.

ASSOCIATION AND SPECIFIC EVENTS

McDonalds Multi – Event Championships – Sunday 6th March 2011.

(Entries Close: 8th February 2011 at 3:00 pm)

Athletes must be registered by: 1st February 2011

These championships are also held at the SANTOS Stadium for the athletes in the U9 – U17 age groups. Each athlete must participate in five events as programmed by the Association with points being allocated according to performances. Medals will be awarded to the first three placegetters in each age group. Correct Centre uniform must be worn. RULES AND GENERAL INFORMATION, together with a PROGRAM will be made available to parents and athletes intending to participate.

State Team (U13 & U15 only)

To be eligible for the state team you must be registered and compete at club level regularly. A booklet is available upon registration; if you do not have one please ask.

Improvers Games: Location Barossa Valley LAC – Sunday 27th March 2011

(Registration Cut Off: 31st December 2010, Entries Close: TBA)

Athletes who are not eligible to compete in any more than 1 event at the State Individual Championships can compete at the Improvers Games. U6-8 athletes may compete in a set program of 5 events while U9-17 athletes may select their own events. For U9-17 athletes, only events with sufficient entries will be conducted. Rules, programs and further information will be made available closer to the date of the Improvers Games. A Tiny Tot session is usually held at this event. This depends on the host Centre.

'Be Active' State Individual Championships

Saturday 2nd and Sunday 3rd April 2011.

(Entries Close – 8th March 2011 at 3:00 pm.)

(Registration Cut Off: 31st December 2010.)

Qualification Period: 1st September 2010 to 7th March 2011.

To participate at these championships at the SANTOS Stadium requires athletes to have reached the qualifying standard twice during the season. Only registered athletes in the U9 – U17 age group are eligible to participate. Athletes may enter a maximum of 5 events. RULES AND INFORMATION, together with a PROGRAM will be made available to parents and athletes who have qualified.

| | | |
|----------|-----------|--------|
| U11 Boys | Liam Gill | Silver |
|----------|-----------|--------|

BASIC RULES FOR EVENTS

Shot Put

- Each athlete is allowed 3 throws
- The athlete may enter the circle from any direction but must leave from the rear half.
- The shot must be put from the shoulder with one hand only. When the athlete takes a stance to begin the put, the shot (ball) shall touch or be in close proximity to the neck or chin. The hand must not drop below this position during the action of putting (pushing)
- The shot must not be taken behind the line of the shoulders.
- The shot must land so that the point of impact is completely within the inner edges of the lines marking the sector.
- A foul is recorded if any part of the body touches the ground outside the circle or the top of the ring or stopboard.
- Measurement is made from the inside edge of the stopboard to the nearest point of the mark made by the shot.
- Measurement is taken to the nearest centimetre below.

Shot Weights

| | |
|-------|---|
| 1Kg | U6, U7 Boys & Girls |
| 1.5Kg | U8 Boys & Girls |
| 2Kg | U9, U10, U11 Boys & Girls, U12 Girls |
| 3Kg | U12 Boys, U13 Boys & Girls, U14 – U17 Girls |
| 4Kg | U14 – U17 Boys |

Javelin

- This event is available for only U12 to U17 groups.
- Each athlete is allowed 3 throws.
- The javelin must be held at the grip with the hand in contact with the grip
- The javelin must be thrown over the shoulder or upper part of the throwing arm and must not be slung or hurled – no round arm throws. (Elbow should come through first with the hand coming through above the shoulder or hand).
- The tip of the javelin must hit the ground before any other part of the javelin body, with the point of impact inside the sector lines to be recorded as a valid throw.
- Measurement is made by drawing a tape from the point where the javelin first touches the ground to the point marking the centre of the radius of the throwing arc.
- Measurements are made to the nearest centimetre below, taken at the inside of the arc line.
- **Weights** – 400g U12 Boys & Girls, U13 Girls
600g U13 Boys, U14 - U17 Boys & Girls

NOTES ON VARIOUS EVENTS

SPRINTING

Always keep within the lanes in sprint and hurdle events. Never look around to see where your opponents are, and always run THROUGH the finish line.

HURDLES

- Athletes must stay in their lanes.
- Athletes trailing their foot or leg alongside any hurdle in an adjoining lane will be disqualified.
- Athletes who deliberately knock down a hurdle with hand or foot will be disqualified

BASIC RULES FOR EVENTS

Triple Jump

- This event is only available for U11 to U17 age groups.
- The triple jump consists of a hop, step and jump. The hop shall be made so that the athlete lands on the same foot as that from which he/she has taken off; in the step the athlete will land on the other foot and subsequently the jump is performed.
- The jump must land in the pit. Landing on the runway is a foul.
- The take off mat is set at various distances (from the pit) for different athletes.

Discus

- Each athlete is allowed 3 throws
- The athlete may enter the circle from any direction but must leave from the rear half.
- The discus must fall completely within the inner edges of the lines marking the sector.
- A foul is recorded if any part of the body touches the ground outside the circle or the top of the ring or stopboard.
- Measurement is made from the nearest point of the mark made by the fall of the discus, to the circumference of the circle.
- Measurement is taken to the nearest centimetre below.

Discus Weights

350gm U6, U7 Boys & Girls
500gm U8, U9, U10 Boys & Girls

BASIC RULES FOR EVENTS

Long Jump

- Each athlete is allowed 3 jumps
- U6 – U12 athletes jump from a mat, half painted white (foul area) and half black. U13- U17 athletes jump from a mat with a white line (board) painted across the mat
- The jump is measured from the mark in the sand made by the athlete nearest to the take off point. Measurements are made to the nearest centimetre below.
- U6 – U12 athletes take –off point – toe imprint on the mat
- If an athlete takes off from behind the mat, the measurement is made from the back edge of the mat.
- U13 –U17 athletes take off point – edge of the board (white line) nearest the pit.
- A foul is recorded if any part of the athlete’s toe protrudes over the front of the mat or board

High Jump

- Each athlete is allowed 3 attempts at each height.
- An athlete ceases jumping when 3 consecutive failures are recorded. Each athlete is able to record at least one successful jump.
- Athletes may commence jumping at any height.
- Athletes may pass at any height, but cannot pass after a baulk.
- The height of the bar increases in 5cm increments until one athlete is left. The last athlete may select the height the bar is to be raised (Minimum 2cm intervals)
- A foul is recorded if (1) the athlete dislodges the bar, (2) the athlete jumps from two feet or (3) the athlete has two consecutive baulks.
- If the horizontal bar is touched in the process of jumping, the jump is not passed until the official is satisfied, that it will not subsequently fall as a result of the jump.
- **Athletes in the U6 to U8 age groups must only jump using a scissor technique, landing in either a standing or sitting position. Athletes will be fouled for attempting any form of ‘flop’.**

BASIC RULES FOR EVENTS

Walking

IAAF rules define race walking as a progression of steps, so taken that the walker makes contact with the ground, so that no visible (to the human eye) loss of contact occurs. The advancing leg shall be straightened (i.e. not bent at the knee) from the moment of first contact with the ground until the vertical upright position.

Because of these rules, cautions and disqualifications can occur. It must be emphasised that disqualifications in race walking are TECHNICAL and not MORAL censures. The walker is not being punished for cheating, Disqualifications at centre levels enable walkers to work on their faults and hopefully avoid disqualification in championships.

Walking Distances are:

Under 10 and 11 1100 metres
Under 12 and 17 1500 metres

Correct Technique

Loss of Contact

Bent Knee

SOME BASIC COACHING & SAFETY HINTS FOR LITTLE ATHLETES

ADULT COACHES

Remember you are coaching children who are smaller, weaker, and younger than yourselves. Also take into account the vast difference in development and co-ordination levels of the children.

ATHLETES

1. Always warm-up with light exercises and a slow jog before competing. This allows your muscles to warm-up and stretch so you don't injure yourself.
2. For SPRINTS you must stay in your lane. Never look at the starter while waiting for the gun to go off. Never look around to see where the other athletes are. Looking back will slow you down and may cause you to run out of your lane. Always run through the finish line. Do not slow down until you are past the finish line. Always wear shoes. There may be bees, prickles etc. on the ground, and for the hurdles your shoes will protect your feet if you happen to knock over a hurdle with your feet.
3. When running the LONGER DISTANCES do not start off very fast as this may wear you out and you could have trouble breathing properly. It is better to start slow and gradually build up speed as the race progresses. Deep breathing, long strides and a good swinging arm action will help you to finish.
4. In all THROWING EVENTS (discus, shot put and javelin) always make sure you stay behind the circle or runway while someone else is throwing and when it is your turn always make sure no-one is in front of you. For the discus, 2 or 3 warm-up swings is plenty. More than this will only make your arm tired and you will not be able to throw as far. For the javelin, a short 5 or 7 step run-up is sufficient. If throwing the javelin for the first time it is best for you to do a standing throw. Never hurl the javelin or try to throw it from around the side of your body. This will cause injuries to your elbow. Slow motion practice of the correct technique using a short stick or rod will help you to develop a proper throwing action.

WEATHER POLICY

Wednesday Training Sessions

If the temperature at 4pm as reported on 5AA is 35 degrees or above, Training will be cancelled.

Friday Twilight Meets

If the temperature at 4pm as reported on 5AA is 35 degrees or above, the meet will be modified according to the conditions. For example all long distance events will be cancelled and the total number of events reduced to three.

Any modifications will be made at the discretion of the Committee.

Sunday Meets

If the temperature as reported on the Saturday night 6pm Channel 9 News is 35 degrees or above all long distance events (400m to 1500m including walks) will be brought forward and commence at 8.45am.

Any Javelin event will be cancelled.

If the temperature on the Sunday morning reaches 35 degrees then the meet will be run as a modified meet. Long Distance events and Javelin will not be run and the Committee will determine which events continue.

What if it's raining??

For wet weather we will attempt to hold a meet, at the discretion of the Committee, although some events will be cancelled for safety reasons, such as High Jump and Hurdles.

Any decision to cancel a Sunday morning Home Meet due to rain will be made by the Committee at 9am on the Sunday morning.

COMPETITION

The senior club currently fields teams in summer and winter A.S.A. competitions. Both the senior club and Little Athletics through the Tea Tree Gully Athletics Centre continue to promote healthy recreational activities in the district.

Competition is open to all athletes (but usually those aged 11 and over) and during the summer is held at Mile End Sporting Facility on Saturday afternoons for the usual track and field events. In winter, Cross Country events are held at various venues throughout the metropolitan area.

TRAINING/COACHING

Times vary according to the individual coaches.

Our coaches and relevant special interests are:

Pat Todd Jumps.....8263 4285

Please contact individual coaches for information on their training times and if you have joined their coaching group, let them know if you are unable to attend training or if you have any problems.

5. In LONG and TRIPLE JUMP make sure you have a good pair of shoes with plenty of padding to protect your heels. Do not jump without your shoes on as the pit may have hidden dangerous obstacles in it such as glass, sea-shell pieces, sticks etc. Some athletes find the triple jump (hop, step and jump) hard to do.

Here is a simple practice method for Triple Jump:

1. Stand on one foot (the foot you take off from when doing long jump)
2. Take a big hop so you are still on the same foot.
3. Swing the other foot through and land on it (the step). Note the foot you hopped with should be in the air.
4. Bend your knee, push off the ground and land on both feet. You are now in the pit having just done the jump. Practice this frequently and when you feel you have it all together draw a square to represent a mat and start with a few running steps so that you hit the mat with the foot you are going to hop with.
6. For the HIGH JUMP again shoes are important as you may clip the bar with your feet as you jump. To learn how to high jump it is best to start with the scissors action (scissor jump is compulsory for all U6, U7 and U8 athletes). This action teaches you to lift off the ground rather than to throw yourself over the bar without lifting first.
7. For SHOT PUT, to improve your action style, stand in front of your bedroom mirror for a few minutes each day and using a tennis ball put your hand next to your chin so that your fingers lightly brush your cheek. Bring your elbow up level with your shoulder and push your hands towards the mirror keeping your elbow up.
To practice the side twisting action, stand side-on to the mirror and as you twist towards the mirror repeat the above steps.

2011 CROSS COUNTRY SEASON

- The 2010 McDonalds Cross Country program has been released. It will be on the notice board during the summer season and can be accessed on our website.
- Tea Tree Gully is hosting a round of the 2011 Cross Country program which will be held at Bulkana Oval, Spring Crescent Banksia Park on a date to be announced.

Guidelines

- Registering for the summer season also enables Little Athletes to participate in Cross Country events.
- Entry Fee - \$1 (Championships \$2).
- FOOTWEAR is compulsory - spikes **NOT** permitted.
- Competitors must report, with their entry fee, to the starting line fifteen minutes prior to the advertised starting time for their event.
- All Competitors will receive a Certificate showing their performance.
- To be eligible for State Cross Country Championships athletes must have competed in 4 Cross Country Meets, and be registered with the Association.

All other relevant Rules and Information pertaining to the championships will be distributed prior to the event.

PLEASE NOTE

On arrival at the Cross Country Meetings please check the Notice Board for information regarding the Course and other information.

There will be canteen facilities available at all Cross Country venues.

TRAINING TIMES

BULKANA OVAL
Spring Crescent, Banksia Park

General Training

Wednesdays 5.00 pm to 6.30 pm.

Days may vary depending on the availability of Coaches.

Hot Weather Policy:

If the temperature at 4:00pm as reported on 5AA is 35°C or above training will be cancelled.

Training is an important aspect of developing young athletes. Attending training helps to develop skills and confidence when participating in events. During meets athletes will be able to concentrate on the performance rather than learning the skills. This will lead to improved performances through out the year.

GENERAL INFORMATION

LOCATION

Home meetings are held at Bulkana Oval, Spring Crescent, Banksia Park.
Away meetings are at the addresses specified in the program.

TIME

Children are asked to arrive at least 15 minutes prior to the start of all meetings to enable them to warm up. Check the program for the time and place of the meeting.

AGE GROUPS

Children are placed in age groups according to their age on 1st October.

UNIFORM

Maroon and blue athletics tops with maroon shorts for boys and maroon runners for girls. Maroon Lycra bike-style pants are an optional part of the uniform. Tops may be purchased at the centre and **MUST** have sleeves.

Footwear is compulsory and Association rules specify that they must be worn at all Championship events.

Hats and sunscreen (15 plus) are compulsory and must be worn at all club and Association conducted events.

Spikes are permitted for laned events, jumps and javelin for U/12-U/17 athletes and must be put on at the start and removed at the finish of the event. Spikes must be no longer than 7mm.

REGISTRATION

Children must be registered to enable them to participate in any S.A. Little Athletic Association event. Under 13 & Under 15 children wishing to try for the State Team Selection must register by 15th November 2010.

FEES

Registration fees are \$85.00 for one child, \$125 for two children, \$145 for three children and an extra \$5 for each additional child. If a parent has already paid the family Centre Membership Fee through the senior club, then the above fees are reduced by \$40.

Australian Little Athletics Insurance

Willis Australia Limited

Who is Covered? : All registered members, participant's trialing before becoming a member, coaches, voluntary workers, directors and officials of the Australian Little Athletics and their affiliated state/territory associations, centres and clubs.

When are you Covered? : Cover is provided for injuries caused solely by active participation in officially organised events, practice and training sessions and official functions including travelling to and from such events.

What Cover Applies? : See a committee member for details of benefits.

How do I make a claim? : See a committee member for information should the need arise to make a claim.

WHAT IS LITTLE ATHLETICS?

Little Athletics covers all the normal activities that children enjoy, like running, throwing and jumping. What we do is provide these activities in a more structured manner.

Tea Tree Gully Little Athletics Centre also offers a Tiny Tot program for children aged from 3 to 5 years of age. The emphasis here is on FUN while developing basic motor skills through simple games. Once children turn 5 they may join the Under 6 age group if they wish.

Registration fees are a once a year cost, which covers not only the summer track and field season, but also the winter cross – country season. Athletes must be registered before they compete.

All athletes are encouraged to participate in all the events offered each day. The emphasis in Little Athletics is on **enjoyment, improvement and sportsmanship.**

Our Centre, like all other Centres, is affiliated with the South Australian Little Athletics Association – SALAA. The Association organises various major athletic meetings during the year including championships. All athletes have the opportunity to compete at the SANTOS Sports Stadium, covering Relay Championships, Be Your Best Day, Regional Day, Multi-Event Championships and State Individual Championships in the summer season and Cross Country in the winter season.

So – What is Little Athletics all about?

It is all about fun, making friends, family participation and healthy activities. If you thought it's just for kids, you are about to find out why the philosophy of Little Athletics is:-

***“ Family Fun and Fitness “
in a supportive and friendly atmosphere***

Little Athletes come in all shapes and sizes, and quite varied levels of ability. However, every Little Athlete is a winner when they compete. Personal improvement rather than winning is one of our fundamental aims and should be encouraged.
