"The Gully Breeze."

"City Bay" - now there's a story

At the start of the race Dave Turner was about the only competitor to get a mention. Who do you know Dave? The announcer mentioned Dave as a regular competitor over the years in Tea Tree Gully colours. Good time too Dave.

Who was the mystery TTG athlete seen by the other Gully runners at the start of the race? Mark Tucker looked the part in his brother Ian's uniform. Hope to see him in it again during the Summer season.

It was good to see Renee Bryant running and very pleasing that she plans to become involved again after the dreaded yr 12 exams are over. She will be a

welcome addition to any of our underage and senior teams.

With just Jetty Rd to go Noel Bray was surprised to see one of his younger runners Brett Worley in front of him but within reach. His perfectly timed dash to the line was failed when a spectator yelled out Noel's name in encouragement. Brett took one look over his shoulder, said "%#&@ Noel" and raced to the line a second ahead.

Disappointment for Ben Hirst who has trained so well during winter and showed a lot of promise in his first season. The dreaded virus hit Ben like a

Mack truck preventing him from competing with his fellow Gully runners.

One "veteran" managed to surprise a few youngsters running over the top of them in the final 2km. His ID shall remain a mystery.

Bad luck for Terry Gallagher whose foot injury stopped him on Anzac Hwy and prevented him from a sub 40 min time.

Winners Time - 33 min 42!!

Some vehicles struggle to make the distance in that time.

Why that's equivalent to one episode of Home & Away. Which would you rather?

C Grade Premiers

The Winter season has concluded with the C grade winning the title and finishing third overall. The team declined the offer to parade with some other sporting groups that performed reasonably well recently (and caused a traffic jam in King William street whilst paying parking fines at the Town Hall). We are awaiting a call from the mayor of TTG. The team ran consistently all year and must be commended on their competitive spirit and conditioning.

Scarlett Cook won the u16 ASA Overall Trophy for the Winter Season - Fantastic!! Well done Scarlett. Scarlett won the ASA Road Championship, and the State Cross Country Championship at Worrina. She finished 27th at The National Titles at Canberra.

The D grade in a nail biting finish finished second.

Other medal winners included - Deb Allen - bronze at the Cross Country Championships at Worrina. Terry Gallagher - silver at Anstey Hill.

Daniel Judd leaving TTG to pursue a more lucrative career at Kimba.

Stay tuned.

The Distance group meets on Monday nights throughout Winter at McKinnon parade for a run around the Torrens. After a recent run members were confronted by a photographer with promise of well paid work in Advertisements. Although a number of the group had their photo taken and details recorded it seems that all are still awaiting that phone call. (Is that what they call a negative split?)
