SPONSORSHIP GUIDE

The Tea Tree Gully Athletics Centre is unique in that it combines two clubs into one incorporated body. Tea Tree Gully Athletics Centre has been the only centre of this kind for the past 40 years, setting a standard that other Athletics Centres are now modelling. We have a Little Athletics branch and a Senior Athletics branch.

Our Centre is affiliated with both the South Australian Little Athletics Association and Athletics SA. We host and conduct local Track and Field meets on a weekly basis in the summer season (October to March) and participate in regional, state and national competitions throughout the year.

In the 2016/17 season we had 180+ registered athletes from the Adelaide north eastern metropolitan area. In addition, we provide support to local school athletics carnivals (SAPSASA – both athletics and cross country events) and participated in numerous community events.

Athletics Centre Sponsorship

Tea Tree Gully Little Athletics provides opportunities for young people from the ages of 3 - 17 to develop motor skills and coordination whilst participating in summer track & field and winter Cross Country competitions. The philosophy of little

athletics is Family Fun and Fitness in a supportive and friendly environment. The emphasis in little athletics is on participation, improvement and sportsmanship.

Our centre is run entirely by volunteers. Our sponsors help maintain our financial viability and play a huge part in our success. They assist us in providing a low-cost sport to a broad cross section of the community. Our aim is to be the club of choice in Adelaide's northeast for athletics and as we grow, your sponsorship will be a key element in achieving this goal. In return we will work hard to promote the businesses that support us.

Why sponsor Tea Tree Gully Athletics Centre? There is opportunity to GROW your brand.

Athletes participate in both a summer and winter season, therefore your business will receive 12 months exposure through our social media strategy. During the summer season your business will have exposure with signage along our 100 metre sprint track. The athletics centre will also support sponsors by promoting the sponsor's business and products at club functions and presentations.

Social Media Strategy

Sponsors will benefit from support via Facebook and Team App. Tea Tree Gully has a large number of followers on both of these applications and we believe that by using these tools we can further enhance the relationship with our sponsors and continue to connect them to our athletes and their families and friends. We will do this by sharing your business page and any marketing initiatives you might have. Tea Tree Gully Athletics Centre will encourage our athletes and their families and friends to purchase directly from our sponsors.
