

# The Gully Breeze

## Welcome

Has it really been six months since we were all doing this on a Saturday afternoon. Doesn't feel like it does it?. Some of us have come a long way since then and have had some special moments in sport. Mark Ormrod and Katrina Webb's efforts in Athens were an inspiration to us all, and do I really have to mention \_\_\_\_\_ Port Power!

## GULLY WEBSITE

We are pleased to now have our own website created with Steven Carters help (he did it all, many thanks to him). It still needs lots of finishing touches and up dates but we are on our way and running.

The TTG Athletics centre homepage can be viewed at

[www.geocities.com/ttgathletics/](http://www.geocities.com/ttgathletics/) this contains links to both the LA website and the seniors website.

The seniors website can be accessed directly at [www.geocities.com/ttgathletics/seniors.html](http://www.geocities.com/ttgathletics/seniors.html) There are still a couple of pages that don't currently have any information.

In future this site will also be able to be accessed through links on the Athletics SA website. Hopefully from next week. Newsletters and all other information will be via the website. Club records, committee members and coaches can be viewed at this website as well.

## NEW UNIFORMS

Boy oh Boy don't the men look smart. Thank you for all those athletes who had any input into deciding our final choice. Also thanks must go to Chris Staples and Halina Stankiewicz for all the running around that they had to squeeze in.

## LOST

Has anybody seen a red commodore? More importantly the Tea Tree Gully banner that the president was looking after. Unfortunately for the president he had the misfortune of having his car stolen from the Tea Tree Plaza car park. Obviously the thief doesn't know Dave, with it went the banner in the boot, neither has been seen since so the president is now driving around in a new latest model car and we have another new banner. No truth in the rumor that Dave paid to have it towed away.

## CONGRATULATIONS

Well done to the under 20 boys for winning the cross country championship during the winter season, our first winter pennant for six years. Thanks go to the following athletes, Chris Zammit, James Boden, Stephen Jelfs, Ryan Roberts, Kostya Khudoshin, Mark Ridgwell, and Philip Hargans.

Also thanks must go to other participants during the winter season and to Noel Bray who had to do a lot of ringing around to get teams on the track.
